

Collins Cheat Sheet (CSW24) Part 2

Lists generated using NASPA Zyzzyva 3.4.2
(NWL, WOW) and Collins Zyzzyva 24.0 (CSW24)
Last Updated Mar 2nd 2026 by Nick Ball

A selection of useful words which are valid in the international Collins Official Scrabble Words 2024 word list (CSW24), but not in the North American Official Tournament and Club Word List, 2023 Edition (NWL2023). The CSW24 incorporates the whole of the NWL2023, except for 3698 words, 130 of which are 2-8 letters in length. All words shown are also invalid in the alternative North American lexicon WOW24, except for C**T and HEBE (a plant). Words in WOW but not NWL or Collins are not shown. A second cheat sheet for the same lexica that supplements this one is available as Collins Cheat Sheet (CSW24) Part 2.

Hooks of 2s

A # sign denotes 2s valid in CSW24 but not NWL2023. All hooks shown are CSW-only.
